Web Programming

Lab 1 – Take Home Assignment

VARSHITH J.

Overview:

Welcome to my personal website! I'm Jalla Varshith, a web developer passionate about creating intuitive and engaging digital experiences. My interests span from crafting functional websites to exploring the potential of Raspberry Pi in innovative projects. In my free time, I enjoy playing the guitar, which adds a creative rhythm to my coding journey. This website is a reflection of my work, hobbies, and continuous learning. Feel free to browse through my projects and reach out!

Tech Stack: HTML, CSS, JavaScript

Link to source code:

Link to website: https://genuine-gumption-8bce58.netlify.app
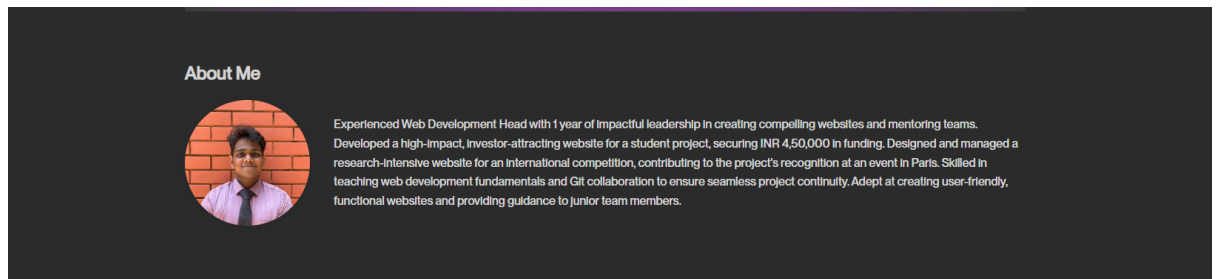

Components:

1. **Hero Section:**
   A visually appealing and responsive navbar. The website prioritizes a seamless browsing experience while maintaining a personal touch.
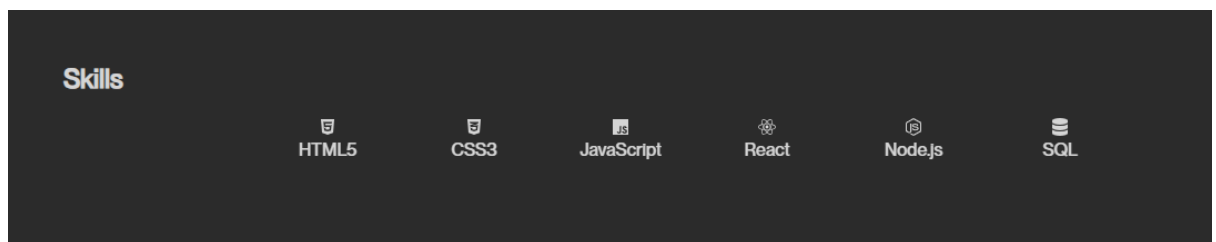

2. **About Me Section:**
   A concise introduction that shares a glimpse of who I am, focusing on my love for web development, Raspberry Pi projects, and music.

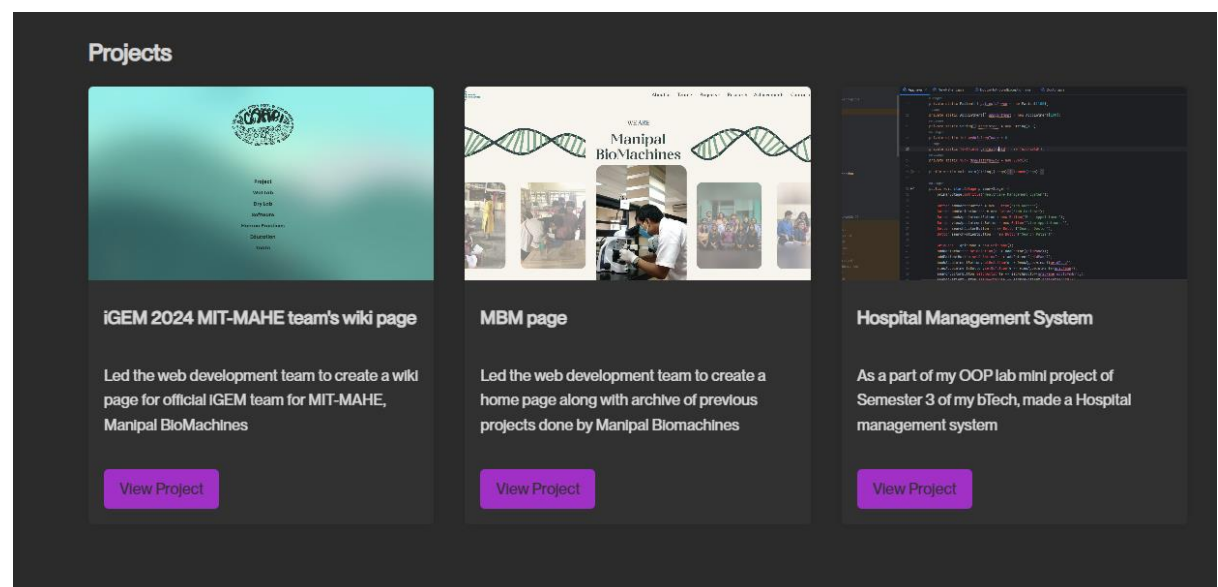

3. **Skills Section:**
   Highlights my proficiency in programming languages, web development frameworks.

4. **Projects Section:**
   Features a list showcasing my projects, including web applications. Each project highlights my problem-solving approach and creativity.

5. **Footer Section:**

Includes a form to contact me and links to my social media profiles, making it easy to connect.
